Per Person Over Three Years of Age	Base Gross Fare*	Fuel Cost Surcharge***	Current Effective Rate	Temporary Waiver of Bicycle Charge**
One Way Fare	\$7.00	\$1.00	\$8.00	\$0.00

\* The base gross fare was last authorized by the P.U.C. Commission in 2018 by Decision No. 18-10-012 issued on October 11, 2018. This updated base gross fare was authorized by the P.U.C. Commission by Decision No. 21-08-028, issued on August 19, 2021. A Tenth Revised Page 11 issued on August 24, 2021 authorized a temporary phased base gross fare of \$6.00, and an Eleventh Revised Page 11 re-sets the base gross fare at \$7.00 in response to direction from the California Public Utilities Commission.

\*\* To promote use of bicycles instead of cars during this period of concern over fuel usage and costs, the \$0.50 charge for bicycles is temporarily suspended.

\*\*\* Authorized by Resolution TL-19141, granting temporary authority to VCCs to adjust its fares within a "Zone of Reasonableness" with an upper limit of 20% above authorized fares. A \$1.00 increase represents a 14.3% fuel surcharge, which produces a rate less than the authorized 20% temporary increase limit.
